Public Services and Procurement Canada – Government of Canada Pension Centre – Mail Facility
PO Box 8000, Matane QC G4W 4T6

Claiming Survivor Benefits

Claimants must provide proof of age for themselves and their eligible children, and any certificates or other information they think would help clarify their entitlement to a survivor benefit. Claimants may submit this information to the Pension Centre confidentially if they wish.

The determination of benefits may be delayed if the Pension Centre does not have the necessary documents on age and survivor status.
